***Commentator:***

**Gisella Gori**, Council of Europe  
**Marley Weiss**, University of Maryland Francis King Carey School of Law  
**Andres Gonzalez Diaz**, American University Washington College of Law

The book offers a critique authoritarian constitutionalism as an important phenomenon in its own right, not merely as a deviant of liberal constitutionalism. Accordingly, the fourteen studies cover a variety of authoritarian regimes from Hungary to Apartheid South Africa, from China to Venezuela; from Syria to Argentina, and discuss the renaissance of authoritarian agendas and movements, such as populism, Trumpism, nationalism and xenophobia.
